

Studio Tristan Media

Pricing

Studio Tristan Media will provide your business with its copy writing and photographic services at an hourly rate so you will only be charged for the work we do on your behalf.

Unlike many PR houses there is no retainer to pay or one off fee before we start work.

Our fees are:

£150 for the first hour (including attendance to the site for interview and photo shoot)

£75 for every subsequent hour (including copy writing, photo editing and distribution).

For all of our new clients we offer a welcome package of 2 hours for £100

Mileage is charged at 40p per mile with the first 10 miles being free.

Included in the rates is an assessment of coverage achieved in your local/national media with a rateable evaluation of the advertising worth of the coverage.
